

1997

Wisconsin Public Hunting Grounds with **Special Pheasant Hunting Regulations**

Important

- All hunters (except waterfowl hunters) are required to wear at least 50% blaze orange during the gun deer seasons on Nov. 22–Dec. 7. In addition, all hunters in Deer Hunting Zone T during the Oct. 23–26 antlerless-only deer season will be required to wear at least 50% blaze orange. Zone T is made up of Deer Management Units 61, 62B, 63B, 70, 74A, 77B, 80A, and three state parks which are not open to pheasant hunting. See your 1997 General Hunting Regulations Pamphlet for a map of DMU's. There will not be an early firearm hunt and blaze orange is not required of other hunters west of the Burlington Northern railroad tracks in DMU's 61 and 74A.

Pheasant hunting on the properties listed in this pamphlet is subject to one or both of the following rules:

- 2 p.m. close of hunting hours, October 20 through November 3.
- Hen/rooster hunting permit and tags required.

This pamphlet explains these rules so that hunters can comply with the law.

Department of Natural Resources

PUBL-WM-003 97REV

Dear Wisconsin Pheasant Hunter,

Pheasant populations naturally go through ups and downs due to weather and other factors. Weather effects are usually short-lived. After a tough winter in 1995 and wet brood rearing conditions in 1996, most of our pheasant range was granted a reprieve this year with a mild winter and warm, dry spring. This favorable weather and the presence of high quality cover should allow pheasant numbers to bounce back noticeably this year.

The continuation of CRP, which has kept thousands of acres of prime grassland habitat in place, is greatly responsible for the presence of this high quality habitat. Dedicated efforts of private landowners, Wings Over Wisconsin and Pheasants Forever members and cooperators, county ag program administrators, and department wildlife staff have also combined to help put high quality habitat on the landscape where it can benefit wild pheasant populations. This work is showing real results for wild ringnecks in Wisconsin!

This pamphlet shows public hunting grounds, stocked with birds from the DNR's Poynette Game Farm, that have special regulations you need to be aware of. Some have 2:00 p.m. closures during the first 2 weeks. Some allow hen hunting and require tags for both sexes. Some have both restrictions. Besides these properties with special regulations, there are more than 60 other public hunting grounds that will be stocked this year. In response to your requests, these properties are listed by county on the back page of this pamphlet. All told, the department expects to release more than 40,000 pheasants on public hunting grounds this fall.

There is one regulation change this fall that will give people a few extra hours of hunting time. The 2 p.m. close of hunting hours will not go into effect until Monday, the third day of season. In past years, it was effective on the second day of season.

Remember, all pheasant hunters within the Pheasant Management Zone are required to have a pheasant stamp.

Finally, remember that as in years past, all pheasant hunters will need to wear at least 50% blaze orange during the regular gun and muzzleloader deer seasons. In addition, blaze orange must be worn when hunting in Zone T deer management units during the special antlerless deer season on October 23-26.

I hope you are looking forward to the 1997 season as much as I am!

Have a safe and enjoyable season,

*Bill Vander Zouwen, Chief
Wildlife and Landscape Ecology Section*

Pheasant Stamp Requirement

A pheasant stamp (\$7.25 resident and nonresident) is required to hunt pheasants in the Pheasant Management Zone, in addition to a small game or sports license. A map of the pheasant management zones can be found on page 39 of the 1997 General Hunting Regulations Pamphlet. Note: Holders of conservation patron, armed forces fishing and small game licenses, senior citizen recreation cards, and first-year Wisconsin resident hunter safety course graduates are exempt from the stamp requirement. Pheasant stamp funds are earmarked for wild pheasant restoration projects such as wild pheasant releases and habitat development. Pheasant stamp revenue will help keep pheasant populations high for many seasons.

Season Dates and Hunting Hours

Season Dates: October 18 (noon)–December 31, 1997*

Bag Limits: October 18–19, 1 cock daily; possession limit 2. Remainder of season: 2 cocks daily; possession limit 4.

Hunting Hours: Opening Day for ALL areas: 12:00 noon to the close of normal hunting hours 15 minutes after sunset.** Remainder of season follows normal small game hunting hours except for 2:00 p.m. Closure Areas. From October 20–November 3, legal hunting closes at 2:00 p.m. on these properties; normal hunting hours begin on November 4 and continue until the season ends on December 31, 1997.

* Firearm hunting for pheasants is prohibited on November 21, the day before the nine-day gun deer season.

** See 1997 Wisconsin Hunting Regulations for small game hunting hours table.

Why the 2:00 P.M. Pheasant Hunting Closure?

Closing a hunting area at 2:00 p.m. allows the DNR to stock pheasants when they are not subject to hunting pressure. This improves stocking and distribution techniques and gives the birds more time to orient to their new surroundings. This helps provide a more satisfying hunt.

2:00 P.M. Pheasant Hunting Closure Areas

The boundaries of the following wildlife properties are posted with signs stating the 2:00 p.m. daily pheasant hunting closure time from October 20–November 3. Always check the type of signs posted, the boundaries of some areas contain private land and permission of the landowner is required before hunting.

Name	Counties
■ Allenton Wildlife Area	Washington
■ Brooklyn Wildlife Area	Dane and Green

■ Vernon Wildlife Area	Waukesha
■ White River Wildlife Area	Green Lake and Marquette

Why Hen Stocking and Hunting?

Stocking and hunting hen pheasants on certain properties increases the effective use of surplus hen chicks produced by the State Game Farm. Most game farm pheasants have been raised in captivity for many generations, and do not survive or reproduce well enough in the wild to justify rearing them for release to bolster natural reproduction.

Raising surplus hens for hunting provides additional pheasant hunting opportunities at less expense than producing more roosters.

Hen hunting properties were selected because they had no wild hens on or near them. It is illegal to shoot hen pheasants anywhere else in Wisconsin, except on licensed game farms. Such shooting would harm Wisconsin's wild pheasant population. Please report all illegal shooting using the toll-free hotline listed in this pamphlet.

Hen-Rooster Hunting Regulations

- 1) You must complete and submit a DNR application to obtain a pheasant hunting permit and tags BEFORE hunting pheasants on these listed properties. There is no charge and applications can be obtained from any DNR field station or by writing DNR, Box 7924, Madison, WI 53707.
- 2) The permit sticker (labeled "L") at the bottom of the tag package must be separated from the tags and attached to your hunting license before you hunt.
- 3) Ten carcass tags are issued with your permit and this establishes your season bag limit on hen-rooster hunting areas.
- 4) The permit and carcass tags are not transferable or replaceable, even if accidentally lost.
- 5) Immediately upon killing a pheasant, a tag must be attached to the featherless part of the pheasant's leg, between the foot and knee joint.
- 6) Both sexes must be tagged. This minimizes the temptation to discard one bird for another because of sex, size or condition.
- 7) The daily bag limit on hen-rooster hunting areas is 1 pheasant daily on Oct. 18 and 19 and 2 pheasants daily from Oct. 20 to Dec. 31. The possession limit is twice the daily bag limit.

Hen-Rooster Hunting Areas

The boundaries of the following areas are posted with signs which state that hunters must obtain a permit and tags before hunting pheasants. Always check the type of signs posted, the boundaries of some areas contain private land and permission of the landowner is required before hunting.

Bong State Recreation Area Regulations

Bong State Recreation Area, located in north central Kenosha County, offers hen-rooster pheasant hunting with the following requirements and rules:

- 1) Daily or annual vehicle admission fee: resident; \$5.00 daily, \$18.00 annual; resident senior citizen; \$3.00 daily, \$9.00 annual; nonresident; \$7.00 daily, \$25.00 annual.

- 2) Additional pheasant hunting fee: \$3.00 per person per day.

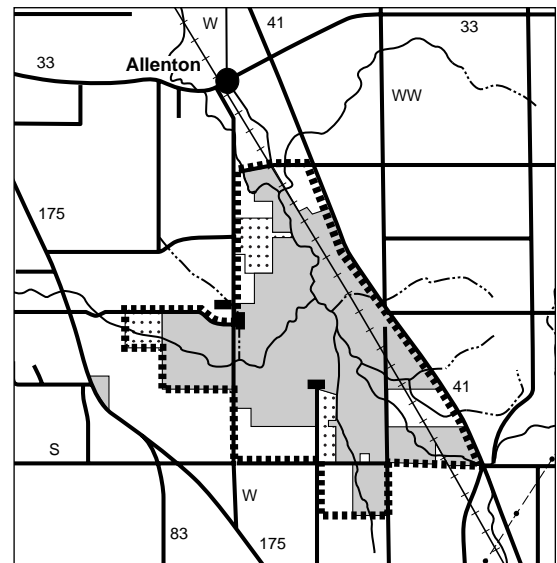

Hunting permit and tags are issued upon payment of fees.

- 3) Pheasant hunting hours:

- October 18—Noon to 6:20 p.m.
- October 19—December 31: 9:00 a.m. to 2:00 p.m.

- 4) Daily bag—one, either sex for the first 14 days; Two, either sex, thereafter.

For details and/or a reservation card, write or call: Bong State Recreation Area, 26313 Burlington Road, Kansasville, WI 53139. Telephone (414) 878-5600 or 652-0377. Note: There is an additional \$3.00 reservation fee.
